Message from the President

CPI: STARS OF CREDIT

It's that time again to get everything back in order and ready for fall and winter, our yard, our homes, our wardrobes and CPI Associations. In this newsletter you will see a check list of things to be done. The sooner the better!

I hope your summer was as great as mine.

Of course District Conference in Silverdale was wonderful, then International Conference in Kansas with the Hutch Bunch was so much fun. In September I had a fantastic time in Eugene, Oregon, at the Credit Association of Oregon Conference. The weather was beautiful, as was the hotel, great speakers and food, and lots of fun. We went on a wine tasting tour on Friday night and had a private room for tasting and a tour. It was very interesting with some great wines. The speakers were interesting, educational as well as entertaining.

Identity theft is a big topic everywhere and we had a speaker who had committed many, many ID theft crimes as well as other crimes. Drugs had her doing many things she is sorry for, but is now clean and sober and helping addicts kick the habit by counseling. It was a great perspective and she told us lots of inside tips and ways to keep ourselves protected. We also had a legislative update and **LaFrance Grubbs** was installed President at the Saturday night banquet. Our Sunday speaker was from the Eugene police department and spoke on fraud and personal safety at work and at home. Hats off to the CAO!

I hope your association is on track with dues, new officers and installations. We are hoping to increase our members this year for the first time in a few years so everyone should be working on recruiting co-workers, friends, associates and strangers to CPI. We all know that we have grown personally and professionally through CPI why not share that with someone we know or and acquaintance? If you don't ask they can't come! It can be that simple to get them there the first time. Then we need to keep them interested and involved. If every member brought just one new person....what would that do to your association? Give it a try!

Don't forget to call or email me or any of the District Officers is you have any questions or ideas we can help with. We would love to hear from any or all of you!

You are the "STARS OF CREDIT"

International Representative's Message

WOW! Summer sure ended in a hurry. One day it was sunny and hot, and the next day we were back in good old Pacific Northwest rain, temperatures dropped and it looks like fall is here to stay.

I know you have heard this over and over again, but fall is the time to get those dues in. You will not get your manual, user ID and password for the web-site or your CPI car magnet until the International Office has your check in hand.

Every year, as we change officers and a new person takes over as treasurer, we seem to lose track of what goes where and when it should be sent. The CPI year ended on September 30 and October 1 was the due date for your membership dues. The new treasurer should be reminded that it is not necessary to wait for everyone to pay before mailing off what has been collected. That way, at least some of your members will have their manuals and you can plan your year's activities. It never ceases to amaze me that here we are a professional organization that deals with credit, and yet there are those that can't seem to pay the dues on time.

I want to emphasize that if you do not have access to the internet, that you can still receive what you need in printed form just by contacting our corporate office in Saint Louis. You can also contact me or any of the other International Officers and we will be glad to provide you with what you need. We are also available to all members for any questions you might have about CPI. All the officers are listed in the membership directory and are available by phone, fax or email. Always remember that YOU are International and we are there for you.

It's A Whole New Ballgame!

President, Credit Professionals International

1st Vice President's Letter

Hello everyone! I hope you've had a great summer with vacations, travel, BBQ's, and time spent with family. Autumn is here now, and with it comes school, fall leaves, elections and membership dues.

By now, your local treasurer should have given the membership renewal and dues forms to you. PLEASE fill out the member personal data forms and have your treasurer forward a copy for each member to me, along with your district dues. I am going to create a District 10 membership list, so I need your current information for it to be accurate. Especially important are email addresses, as much of our correspondence is now by email to save printing and postage costs.

Remember, your dues were due by October 1, so send in as many as you have with your forms to International and me. International dues (\$80 per member) goes to International, District dues (\$18 per member) comes to me, along with the personal data forms. I understand that many employers don't pay until the start of the new fiscal year, but please move them along as quickly as possible when they are received. (And if you send chocolate with them, I will process them more quickly!)

Lets all have a great year!

Tracy Harden,PCS
CPI District 10 1st Vice President

2nd Vice President's Letter

My goals for the year are to encourage all the associations to have good educational meetings, for that is our main purpose, that of EDUCATION, OF OURSELVES, OUR COMMUNITIES AND OUR CO-WORKERS.

If we have good educational meetings that will help keep our attendance up and even gain new members.

Our New Manual contains many good topics and **Marlene Wilcox** deserves a round of heartfelt thanks for stepping in and putting it together for us. The

topics are varied and just right for today's hectic pace, particularly the one about Identity Theft. Other good topics are: "A Tribute to Helen B. Sawyers; Counterfeit Money, Stress; Communicate, Communicate, Communicate; Collecting Payment in Full by our own **Carla Barnes**; the New Credit Scoring and many more.

Another goal I have is to communicate in some form to all of the associations sometime during the year.

We as officers have a duty to help the associations in any way we can.

Helen Keller said that "Life is a succession of lessons which must be lived to be understood."

Thank you for allowing me to be a member of CPI and for being a member of the "STARS OF CREDIT".

Smiles,

Ruth Ann Aller, CCCE/MPCE
2nd Vice President
District 10 CPI
